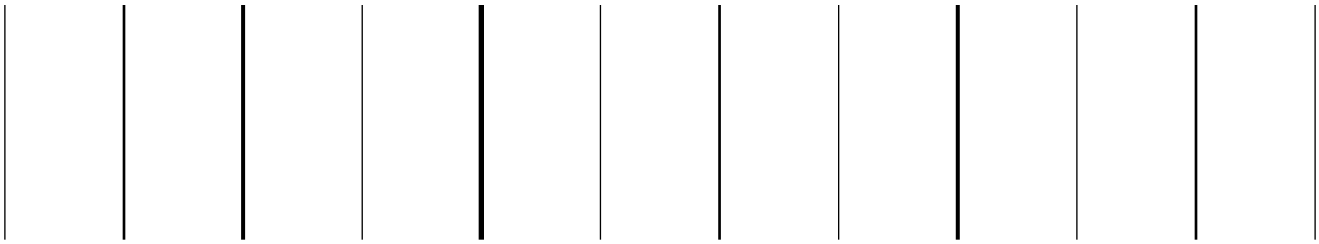
Print Lines Printer Test Page

Check for banding - lines across the page must be straight and even.

Horizontal lines - evenly spaced, must stay straight

Vertical lines - evenly spaced, must stay straight



Solid bands - check for banding across the page

Fine lines

What to check: lines must be straight and evenly spaced - any wobble,

gap or extra-dark band means banding or misalignment.

Scale check: this bar is exactly 100 mm

Print at 100% / Actual size - not Fit to page. Scale check below must measure exactly 100 mm.
